

EstateGuidance®

Step by step legal documents

Getting your affairs in order does not have to be a daunting task. The online EstateGuidance® tool allows you or your family members to easily write a last will and testament, a living will, and documents outlining wishes for final arrangements. This program is available for eligible policyholders and members of your household.

EstateGuidance® walks you through the process by guiding you through a series of questions, and breaking down each step into easy-to-understand terms. Access is available anytime, anywhere via tablet, desktop, or mobile app.

Topics include:

- › **Last Will and Testament** – the central component of every estate plan
- › **Living Will** – spells out end-of-life medical decisions
- › **Final Arrangements** – specifies burial or cremation; funeral or memorial service options

83% of Americans are aware of estate planning but only 31% have a will.¹
